

Leighann Lord

Thinking Cap Comedy Stand-Up at its Finest

Smart, sexy, savvy, and funny, Leighann Lord's "heads up humor" is stand-up comedy at its finest. Inspired by the brilliance of George Carlin, the smooth jazz style of Franklyn Ajaye, and the elegance of Rita Rudner, Leighann has crafted her own unique brand of *Thinking Cap Comedy*. It's no wonder she received the NYC Black Comedy Award for "*The Most Thought Provoking Black Female Comic*."

A New York City native who's entertained around the world, Leighann Lord's stand-up style is not urban; it's urbane. She has performed for audiences in North America, Europe, the Caribbean and for U.S. troops stationed in the Middle East during Operation Enduring Freedom.

Leighann is a regular on the Fox News online show, *The Strategy Room*, where she gives her informed and funny take on politics, world news and current events. Her popular weekly humor column, Leighann Lord's Comic Perspective (www.ComicPerspective.com) is featured on www.StageTimeMag.com. She is also a frequent contributor to FoxNew.com's *Team Washington Blog* and *The Huffington Post*.

Leighann is heard often on XM Sirius Satellite Radio and has appeared on numerous stand-up comedy shows including *Girls Night Out* (Lifetime), *The Original Def Comedy All Star Jam* (HBO), *The View* (ABC), *Premium Blend* (Comedy Central), *The World Stands Up* (Comedy Central) and *Comics Unleashed with Byron Allen*.

It's not hard to see why *Improper Magazine* named Leighann Lord one of New York's 10 Hottest Comics. Her web site, VeryFunnyLady.com, says it all!
